The grounds for this request are as follows:

- *Parties are unable to complete discovery/testimony during assigned period*
- *Parties are engaged in settlement discussions*
- *Since the institution of the proceedings, the parties have had verbal and written settlement negotiations, have drafted, reviewed and proposed term sheets, as well as drafted an agreement, which includes an amendment of Applicant's revised mark. Since the parties last sought an extension, the Applicant reviewed a settlement proposal sent by Opposer's counsel regarding Applicant's amended mark and additional proposed terms, including provisions concerning the use and registration of the parties' respective marks, that would be included in a revised agreement. On December 3rd, the parties' counsel held a settlement conference regarding the proposed terms for an agreement, and the parties discussed each of the terms in detail. Applicant's counsel then conferred with Applicant regarding the proposed terms, and the contents of the settlement conference. Applicant accepted the proposed terms, and Applicant's coun-*

sel and Opposer's counsel had an additional telephone conference regarding the details concerning the proposed terms. The additional time is requested for Opposer's counsel to revise the draft agreement according to the recent settlement conferences, and for the parties to work towards settlement of this matter. The parties strongly believe that they will timely resolve this matter. If an agreement is accepted by the parties, there will be no need to proceed with the Opposition. Additionally, the parties are engaged in the discovery process. Both parties served discovery requests and responses. However, due to the massive amount of materials that will need to be gathered, covering an extensive period of time, Opposer needs additional time to complete discovery. The parties therefore request the extension in order to work towards settlement of this matter and complete the discovery process.

Boston Red Sox Baseball Club Limited Partnership has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.

Boston Red Sox Baseball Club Limited Partnership has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
